Re: Sustainability Strategy & Carbon Neutrality

To Whom it may concern,

This is to confirm that Rhubarb Seating Ltd are actively engaged with Interface NRM Ltd, a UKAS Accredited Certification Body, to develop and certify their Carbon Reduction Strategy.

This involves the verification of their Carbon Footprint verified against ISO 14064-1 and the validation of their Carbon Reduction Plan against PAS 2060, the internationally applicable specification for the demonstration of carbon neutrality. The completion of verification and certification work is anticipated to be by July 2023.

Any queries in this regard can be directed to the undersigned.

Regards,

Gavin Jordan

Business Development Director
